Arden's Garden is Atlanta's premier fresh juice manufacturer. From their East Point processing plant, they make fresh juice five days a week and deliver it all over the city and to their Kirkwood location on Hosea Williams Drive.

The way they make their juice reflects their beliefs about health. All of Arden's Garden's fresh juices and smoothies are made from fruits and vegetables, nothing else – and over 20 different ones. # Atlanta Streets Alive Comes to the East Side

Bring your feet or your bicycle, and get ready to explore your community in a safer, healthier, more livable way. The first Atlanta Streets Alive of the year is Sunday, April 8, when a 4.4-mile stretch of pavement from downtown to Lake Claire will be opened to people on foot and bike – and closed to motorized traffic (except for intersections where cars will be free to cross).

Organized by the Atlanta Bicycle Coalition, the new

route of Dekalb Avenue and Decatur Street will connect 11 Atlanta neighborhoods including: Downtown, Sweet Auburn, Old Fourth Ward, Cabbagetown, Inman Park, Little Five Points, Reynoldstown, Candler Park, Edgewood, Lake Claire, and Kirkwood.

The Bicycle Parade will start at 1:30 PM at the Five Points intersection downtown, where Peachtree, Decatur, and Edgewood meet.

**Sunday, April 8 • 2:00-6:00 PM**

# Youth Art Month Takes Over at FATE in March

by Shalea Niles

What better way to end Black History Month and begin Youth Art Month with a bang than *The Wiz*! New 5th grade teacher Daron Frazier and music teacher Dan Castillo have collaborated to write and direct this entire performance. Students have been working hard, practicing and preparing for a couple weeks. The yellow brick road will be paved for only one night in the cafeteria.

At the end of the month, FATE will hold its first Kirkwood Art Stroll featuring student artists! Shalea Niles has been working with the students to create a variety of pieces of art that will be displayed at three different locations in Kirkwood: Indigo Wellness, Clayworks, and Scout & Arrow.

The participants really appreciate these businesses allowing the use of their spaces for the night. All donations will go to FATE PTA for school improvement

projects.

Toomer continues to celebrate attendance with the FATE Five Attendance Club. The goal of the club is for every student to have the best attendance possible. While some absences are unavoidable, the school hopes students can limit those occasions to five or fewer total during the school year.

Students in the club will celebrate and receive rewards throughout the year. This month, they get to enjoy a popcorn and movie event. In May, the game bus will visit Toomer to reward students with five or fewer absences.

# Kirkwood's BeltLine Connection Will Have to Wait

The Trolley Line Trail follows the old Metropolitan Street Railroad Co. street-car route, which ran from 1893 to 1949, that connected downtown Atlanta to Decatur via Kirkwood. It was built by PATH Foundation in the run-up to the 1996 Centennial Olympic Games.

A pending trail improvement will provide Edgewood, Kirkwood, and East Lake neighborhoods an off-street, multiuse connection to the Atlanta BeltLine and its amenities. It would also give students of NPU-O an off-street bicycle route to Maynard Jackson High School.

The plan is to connect the two existing but separate sections of the trail via closure of the southbound lane of Woodbine Avenue NE between Wade Avenue NE and Hosea L Williams Drive. It would also extend the trail from Montgomery Street SE to

Atlanta BeltLine's Eastside Trail in Reynoldstown.

Renew Atlanta Bond/TSPLOST General Manager Faye DiMassimo says that the project will be 100% funded through the TSPLOST passed by citizens of Atlanta in November 2016. Since Years 1 and 2 of projects under

the five-year 0.4% sales tax increase have already been programmed, the earliest that funding will be released is 2019.
